Deltona, FL 32725

Dear Men's Auxiliary,

On behalf of the Ladies Auxiliary of the Veterans of Foreign Wars, Post 8093 I want to thank you for your generous support of our Operation Troop Box by donating money to us. It is through the efforts of people like you that Operation Troop Box is able to accomplish so much. The donation that you made has helped greatly.

Each care package that is sent shows our heroes that they have not been forgotten by those at home, they are foremost in our minds and in our hearts. In addition, we show them that we are extremely proud of their efforts. We are very grateful that you chose our Operation Troop Box as a means of showing support.

Your thoughtfulness and generosity is truly appreciated. Again, **Thank You.**

Until each one comes home....

Respectfully,

Lynn Raleigh
